INTERNATIONAL SEARCH REPORT

International	application	No.	

			101/0804/3024/				
A. CLASSIFICATION OF SUBJECT MATTER							
PC@ : 198/415							
US CL : B65G 47/24							
According to International Patent Classification (IPC) or to both national classification and IPC							
B. FIELDS SEARCHED							
Minimum documentation accorded (electrification autom followed by electrification automobile)							
Minimum documentation searched (classification system followed by classification symbols) U.S. : B65G 47/24							
U.S. : B03U 41/24							
Documentation searched other than minimum documentation to the extent that such documents are included in the fields searched							
None							
Electronic data base consulted during the international search (name of data base and, where practicable, search terms used)							
EAST
